

Jeffrey P. Searl

Ph.D., CCC-SLP

Professor

Fellow – American Speech, Language, and Hearing Association

WORK CONTACT

Department of Communicative Sciences and Disorders
Michigan State University
1026 Red Cedar Road
East Lansing, MI 48824

Phone: 517-353-8780
searljef@msu.edu

ACADEMIC PREPARATION

Institution	Degree	Year
University of Kansas, Intercampus Program in Communicative Sciences and Disorders (Lawrence, KS)	Ph.D. Speech-Language Pathology	1999
University of Kansas, Intercampus Program in Communicative Sciences and Disorders (Lawrence, KS)	M.A. Speech-Language Pathology	1991
Santa Clara University, Department of Psychology (Santa Clara, CA)	B.A. Psychology	1988

PROFESSIONAL EXPERIENCE

Years	Position	University/Facility
2020 – present	Professor and Director of Undergraduate Program	Department of Communicative Sciences and Disorders, Michigan State University (East Lansing, MI)
2017 – 2019	Associate Professor - Tenured and Director of Undergraduate Program	Department of Communicative Sciences and Disorders, Michigan State University (East Lansing, MI)
2004 – 2016	Associate Professor – Tenured	Hearing & Speech Department, University of Kansas Medical Center (Kansas City, KS) & Department of Otolaryngology, School of Medicine, University of Kansas Medical Center (Kansas City, KS) (secondary apt)
1999 – 2004	Assistant Professor	Communication Disorders Department, Bowling Green State University (Bowling Green, OH)
1993 – 1999	Clinical Instructor	Hearing & Speech Department, University of Kansas Medical Center (Kansas City, KS)

1992 – 1993	Speech-Language Pathologist	Rehabilitation Department, North Kansas City Hospital (North Kansas City, MO) and Rehabilitation Department St. Joseph Health Center (Kansas City, MO)
----------------	--------------------------------	--

AFFILIATIONS

Years	Organization
2019 – present	Michigan Cancer Coalition – HPV Vaccination Workgroup (Member)
2018 – present	Center for Research in Autism, Intellectual & Other Neurodevelopmental Disabilities, Michigan State University (affiliate)
2018 – present	Health and Risk Communication Center, College of Communication Arts & Sciences, Michigan State University (affiliated faculty)
2018 – present	Neurocognitive Communication Work Group, College of Communication Arts & Sciences, Michigan State University (member)
2017 – present	Musician Wellness Team, College of Music, Michigan State University (member)
2017 – present	Michigan Speech, Language, and Hearing Association (member)
2006 – 2015	Florida Association of Laryngectomees (faculty and member)
2005 – 2017	Kansas Speech Language Hearing Association (member)
2004 – present	Special Interest Group: Voice and Upper Airway Disorders, American Speech Language Hearing Association (member)
2001 – 2015	International Association of Laryngectomees (faculty and member)
1999 – 2015	Special Interest Group: Speech Science [formerly part of Speech Science and Craniofacial Disorders], American Speech Language Hearing Association (member)
1999 – 2004	Ohio Speech Language Hearing Association (member)
1993 – present	American Speech Language Hearing Association (member)
1993 – 1999	Kansas Speech Language Hearing Association

PROFESSIONAL CERTIFICATIONS AND LICENSURE

Year(s)	Status	Organization
2019	Licensed	Speech-Language Pathology, Michigan Board of Speech-Language Pathology, Department of Licensing and Regulatory Affairs

2005 – 2016	Licensed	Speech-Language Pathologist, Kansas Department of Health and Environment (Lic. # 750)
2005	Certified	Lee Silverman Voice Therapy (LSVT)
1999 – 2004	Licensed	Speech-Language Pathologist, Ohio Board of Speech-Language Pathology and Audiology
1995 – 1999	Licensed	Speech-Language Pathologist, Missouri State Board of Healing Arts (Lic. #109168)
1993 – 1999	Licensed	Speech-Language Pathologist, Kansas Department of Health and Environment (Lic. # 750)
1993 – present	Certified	American Speech Language Hearing Association

HONORS/AWARDS

Year	Honor/Award
2020	Meritorious Poster Award, <i>Does Alaryngeal Speech Mode Influence Education on Post-laryngectomy Airway Changes and Protection?</i> Annual Convention of the American Speech Language Hearing Association, Nov. 19-21, 2020, San Diego CA. [conference canceled]
2016	Fellow, American Speech Language Hearing Association
2015	Byron A. Alexander and John C. Wright Graduate Mentor Award - Nominee University of Kansas Medical Center, Kansas City, KS
2015	Dr. James C. Shanks Master Clinician Award, International Association of Laryngectomees
2013	Modale Fellowship Program - Faculty Mentor for Dr. Naina Picardo (Otolaryngologist), Vellore, India
2013	Honorable Mention Poster Award, Neural Substrates of Tongue Movements at Scaled Effort Levels, International Association of Orofacial Myology Conference, Washington, DC, October 11-13, 2013
2013	Honorable Mention Poster Award, Maximum and Scaled Tongue Pressures Across Body Positions, International Association of Orofacial Myology Conference, Washington, DC, October 11-13, 2013
2011	Clinical Excellence Award, International Association of Laryngectomees
2011	Center for Teaching Excellence Recognition, University of Kansas, Lawrence, KS
2007	Stata Norton Distinguished Teaching Award, School of Allied Health, University of Kansas Medical Center, Kansas City, KS
2005	Tenure awarded, University of Kansas Medical Center, Kansas City, KS

- 2004 Tenure with promotion to Associate Professor approved at Bowling Green State University, Bowling Green, OH
- 2004 Clyde R. Willis Faculty Development Award, College of Health and Human Services, Bowling Green State University, Bowling Green, OH
- 2003 Outstanding Teacher Award, Student Government Association, Bowling Green State University, Bowling Green, OH
- 2002 Outstanding Young Scholar Award – Finalist (1 of 5 university-wide), Bowling Green State University, Bowling Green, OH
- 2004 – Award for Continuing Education (ACE), American Speech Language
present Hearing
- 1991 – The Honor Society of Phi Kappa Phi - member
present
- 1988 – Alpha Sigma Nu: The Honor Society of Jesuit Colleges and Universities -
present member
- 1988 – The Phi Beta Kappa Society
present
-

Status:	Funded – Project period 01/2010 – 12/2012, \$75,000	
Agency:	American Cancer Society	External
Title:	<i>2009 Voice Institute</i>	
Role:	PI (on behalf of the International Association of Laryngectomees)	
Submitted:	2009-02-01	
Status:	Funded – complete (01/15/2009 – 06/09/2009)	
Agency:	National Institutes of Health (R21) (National Institute of Deafness and Other Communicative Disorders)	External
Title:	<i>Face-to-Face and Telemedicine Group Voice Therapy for Parkinson's Disease</i>	
Role:	PI	
Submitted:	2009-02-19	
Status:	not funded [requested \$399,000]	
Agency:	Research Administration Pilot Funding Program, University of Kansas Medical Center	Internal
Title:	<i>Group Voice Therapy for Individuals with Parkinson Disease: Measuring Voice Intensity</i>	
Role:	PI	
Submitted:	2008-11-19	
Status:	Funded Project period 01/01/2009 – 12/31/2009, \$10,000	
Agency:	American Cancer Society	External
Title:	<i>2008 Voice Institute</i>	
Role:	PI (on behalf of the International Association of Laryngectomees)	
Submitted:	2008-01-15	
Status:	Funded – Project period 03/01/2008 – 08/31/2008, \$10,000	

Agency:	National Institutes of Health (R01) (National Institute of Deafness and Other Communicative Disorders)	External
Title:	<i>Articulatory 'Strength' and Sense of Effort in ALS and Parkinson's Disease</i>	
Role:	PI	
Submitted:	2007-10-19	
Status:	not funded [requested \$1,815,505]	
Agency:	National Parkinson Foundation	External
Title:	<i>Telemedicine for education and service delivery for individuals with Parkinson's disease</i>	
Role:	Consultant [PI: Lyons, K., University of Kansas Medical Center]	
Submitted:	2007-10-01	
Status:	Funded – Project period 01/2008 – 12/2009, \$1500	
Agency:	Research Administration Shared Equipment Grant, University of Kansas Medical Center	Internal
Title:	<i>Audio-Visual Equipment to Support Research in Human Communication Across the Lifespan</i>	
Role:	Co-PI [Co-PI: Dunn, W., University of Kansas Medical Center]	
Submitted:	2007-04-01	
Status:	Funded – complete 12/2007, \$16,969	
Agency:	National Institutes of Health (R03) (National Cancer Institute)	External
Title:	<i>Eye-gaze tracking of normal listeners to alaryngeal speech (1R03-CA126332-01)</i>	
Role:	PI – subcontract [PI: Evitts, P., West Chester University]	
Submitted:	2006-06-05	
Status:	Funded – complete (01/01/2007 – 12/31/2009), \$3,599	
Agency:	American Speech, Language, and Hearing Foundation	External
Title:	<i>Grant Reviewer Training Program</i>	
Role:	PI	
Submitted:	2006-03-01	
Status:	Funded – complete (08/01/2006), \$1200	
Agency:	Griffin Laboratories, Inc.	External
Title:	<i>Juncture and stress during alaryngeal speech</i>	
Role:	Co-PI [Co-PI: Stone, E., Vanderbilt University]	
Submitted:	2006-03-01	
Status:	Funded – complete (08/01/2006), \$1000	
Agency:	Center for Family Studies and Demography, Bowling Green State University	Internal
Title:	<i>Quality of life of individuals with chronic speech disorders: Pilot data Collection</i>	
Role:	Co-PI [Co-PI: Gabel, R., Bowling Green State University]	
Submitted:	2003-10-01	
Status:	Funded – Project period 01/01/2004 – 08/31/2004, \$8000	

Agency:	Scholars Assistance Program, Bowling Green State University	Internal
Title:	Knowledge and Attitudes Toward Aging and Elderly	
Role:	Co-PI [Co-PI: Gabel, R., Bowling Green State University]	
Submitted:	2001-08-01	
Status:	Funded – complete 11/2001, \$500	
Agency:	Instructional Equipment Grant, Provosts Office, Bowling Green State University	Internal
Title:	<i>Acoustic Recording, Analysis, and Playback System</i>	
Role:	PI	
Submitted:	2001-05-01	
Status:	Funded – complete 11/2001, \$5600	
Agency:	Research Challenge Program, Technology Innovation Enhancement Grant, Bowling Green State University	Internal
Title:	<i>Speech-Aeroacoustic Research Consortium: BGSU and Medical College of Ohio</i>	
Role:	Co-PI [Co-PI: Goberman, A., Bowling Green State University]	
Submitted:	2000-12-01	
Status:	Funded – Project period 03/01/2001 – 12/31/ 2001, \$50,000	
Agency:	National Institutes of Health (R03), National Institute of Deafness and Other Communicative Disorders	External
Title:	<i>Linguopalatal contact pressures during speech (R03-DC04960)</i>	
Role:	PI	
Submitted:	2000-10-19	
Status:	Funded – complete (05/01/2001 – 09/01/2004), \$210,041	
Agency:	Faculty Research Committee, Research Incentive Grant, Bowling Green State University	Internal
Title:	<i>Linguopalatal contact pressures during speech: preliminary studies</i>	
Role:	PI	
Submitted:	1999-10-01	
Status:	Funded – Project period 02/01/2000 – 01/31/2001, \$5000	

Grantsmanship and Other Mentoring of Graduate Students

Fritz, A. (AY 2020-2021). Scoping Review of the Impact of Mask Wearing on Communication. Undergraduate Research & Creative Project Funding Award, College of Communication Arts and Sciences, Michigan State University. **Searl, J.** – Faculty Mentor, Funded

Partain, S. (AY 2020-2021). Long term Communication Outcomes After Treatment for Head and Neck Cancer. Undergraduate Research & Creative Project Funding Award, College of Communication Arts and Sciences, Michigan State University. **Searl, J.** – Faculty Mentor, Funded

Fritz, A. (AY 2019-2020). Scaling Articulatory Contact Pressure to the Physiological Strength Range of the Tongue in Adults with Normal Speech. Undergraduate Research & Creative Project Funding Award, College of Communication Arts and Sciences, Michigan State University. **Searl, J.** – Faculty Mentor, Funded

Partain, S. (AY 2019-2020). The Impact of Aging on Communication in People Treated for Cancer in the Mouth or Throat. Undergraduate Research & Creative Project Funding Award, College of Communication Arts and Sciences, Michigan State University. **Searl, J.** – Faculty Mentor, Funded

Biskner, D. (AY 2017-2018). Tongue Force Symmetry During Speech. Undergraduate Research & Creative Project Funding Award, College of Communication Arts and Sciences, Michigan State University. **Searl, J.** – Faculty Mentor, Funded

Burbank, J. (2015). Speech-Language Pathology Service Delivery to Native American Populations. Students Preparing for Academic Research Careers (SPARC) Award. American Speech Language Hearing Association. **Searl, J.** (Primary Mentor), Funded

Burbank, J. (2015). Karlind T. Moller Cleft/Craniofacial Scholarship Award. (Faculty Mentor). Funded

Dargin, T. (2014 – 2015). Ringle Health Professions Scholarship. University of Kansas Medical Center. **Searl, J.** (Faculty Mentor). Funded

Dargin, T. (PI). (2014). Semi-occluded vocal tract tasks: aerodynamic and electroglottographic changes. Summer Research Fellowship. Office of Graduate Studies, University of Kansas. **Searl, J.** (Faculty Mentor). Funded

Dargin, T. (PI). (2013). Laryngeal adjustments associated with semi-occluded vocal tract tasks. Summer Research Fellowship. Office of Graduate Studies, University of Kansas. **Searl, J.** (Faculty Mentor). Funded

Seagrave, E. (2012; University of Washington). Students Preparing for Academic Research Careers (SPARC) Award. American Speech, Language and Hearing Association. (Mentor Committee Member). Funded

Dietsch, A. (PI). (2011). Doctoral Scholarship. Kansas Hospital Education and Research Foundation. **Searl, J.** (Faculty Mentor). Funded

Dietsch, A. (PI). (2010). Force amplitude modulation of tongue and hand movements. Hoglund Brain Imaging Center, Intramural Pilot Grant, University of Kansas. **Searl, J.** (Faculty Mentor). Funded

Dietsch, A. (Fellow). (2010 – 2011). Graduate Research Fellowship, University of Kansas Medical Center. **Searl, J.** (Faculty Advisor). Funded

Dietsch, A. (Fellow). (2008 – 2010). Graduate Teaching Fellowship, University of Kansas. **Searl, J.** (Faculty Mentor). Funded

Dietsch, A. (Fellow). (2007 – 2008). First Year Graduate Fellowship, University of Kansas. **Searl, J.** (Faculty Mentor). Funded

TEACHING

SPLH 828	Speech Disorders in Special Populations	SP 2006 - 2016	GRAD
SPLH 832	Dysphagia	SP 2005 - 2016	GRAD
SPLH 874	Research Practicum	FS 2004 - 2016	GRAD
SPLH 864	Clinical Practicum (supervision of practicum)	FS 2004 - 2016	GRAD
SPLH 870 & 970	Independent Study [2 -5 per year] various topics: dysphagia, voice, alaryngeal, articulatory	FS 2004 - 2016	GRAD

Guest Lectures

School of Medicine, Brain and Behavior Course: Organic Voice and Speech Disorders, Fall 2007 - 2016

SPLH 900 Pro Seminar: Effort and Fatigue in Alaryngeal Speech, Fall 2013

AUD 817 Pediatric Audiology – Head & Neck Embryology, Spring 2005-07, 09

SPLH 261 Survey of Communication Disorders: Voice Disorders, Fall 2004, Spring & Fall 2005, Spring 2006

SPLH 261 Survey of Communication Disorders: Cleft Lip and Palate, Fall 2004, Spring & Fall 2005, Spring 2006

SPLH 828 Phonatory Disorders: Artificial larynx, esophageal, and tracheo-esophageal speech, Spring 2005

Positions and Activities

Member	ASHA: Future of Learning Workgroup , American Speech Language Hearing Association	2019 -
Scientific Advisory Board Member	Association for Body Mapping Education	2020 -
Member	Academic Affairs Board , American Speech Language Hearing Association [Chair 2020, Member 2018-2019]	2018 - 2020
Conference Co-Director	Annual Clinical Laryngectomy Conferences [Association for Head & Neck Cancer Rehabilitation]: 2016 - June 16-18, MD Anderson Cancer Center, Houston, TX 2017 - June 22-24, MD Anderson Cancer Center, Houston, TX 2018 - April 6-7, MSU, East Lansing, MI 2019 – April 6, Univ.of Michigan, Ann Arbor, MI 2020 – April 17-18, MSU, East Lansing, MI (Canceled)	2016 - 2020
Editorial Board Member	<i>American Journal of Speech-Language Pathology</i>	2019 - 2021
Board of Directors	Association for Head and Neck Cancer Rehabilitation, 2015-present	2015 - present
Member	<i>Future of Learning – ASHA Workgroup</i> (kick-off event 12/12-14/2019, American Speech, Language, and Hearing Association)	2019 - present

Member	Michigan Cancer Coalition – HPV Vaccine Workgroup	2019 - present
Member	Scientific Committee and Local Committee , 11 th International Conference on Voice Physiology and Biology (July 31 – Aug 3; East Lansing, MI)	2018
Member	Planning Sub-Committee: <i>Enhancing Undergraduate Teaching of CSD Sciences in the Communication Sciences and Disorders Curriculum</i> (11-14-2018, Boston, MA), American Speech, Language, and Hearing Association	2018
Co-Leader	Ad-hoc Advocacy Group – Tracheo-esophageal Prosthesis Reimbursement and the Centers for Medicare and Medicaid Services, Co-Leader with Meryl Kauffman (Atlanta, GA), in conjunction with ASHA	2013 - 2017
Board Member	Florida Laryngectomee Association	2009 - 2015
Administrator	ASHA Approved CE Administrator, International Association of Laryngectomees	2009 - 2015
Invited Faculty	Voice Institute of the International Association of Laryngectomees	2006 -2015 & 2001-2004;
Conference Chair	Annual Convention of the Florida Laryngectomee Association & Vic Baird Graduate Student Training Program: 2009 – Oct. 2-4, Orlando, FL 2010 – Oct. 1-3, Orlando, FL 2011 – Sept. 30 – Oct. 1, Orlando, FL 2012 – Sept. 28-30, Orlando, FL 2013 – Sept. 27-30, Orlando, FL 2014 – Sept. 25-28, Orlando, FL	2009 - 2014
Invited Faculty	Florida Laryngectomee Association - Vic Baird Graduate Student Training Program	2006 - 2008
Board Member	International Association of Laryngectomees [IAL]	2008 - 2010
Conference Chair	Annual Voice Institute [IAL]: 2008 – Aug. 27-30, Little Rock, AR 2009 – June 24-27, San Mateo, CA 2010 – June 16-19, Clarksville, IN	2008 - 2010
Member	Lenexa Sertoma Club – Lenexa, KS [philanthropic supporting issues regarding communication disorders]	2005 - 2014

Speakers Bureau Member	American Cancer Society, Kansas City Metro Office	2005 - 2007
Member	Heart of America Nu-Voice Club, Kansas City, MO [patient support group]	2006 - 2007
Member	Case Review Team - Northwest Ohio Brain Injury Association	2000 - 2004
Member	Election Committee - Ohio Speech, Language, Hearing Association	2000 - 2002

Michigan State University

University

Faculty Senate	Member	2020; 2021 (Library Cmmtt Representative)
University Council	Member	2019-2020; 2021 (Library Committee Representative)
Steering Committee	Member	2021 (Library Committee Representative)
Faculty Improving Student Success Advisory Group (to Associate Provost for Undergraduate Education)	Member	2021 - present
Academic Integrity Hearing Board	Member	2020 - present
University Committee for the Library	Member	2019 - present
Crescent Road Project – Round Table	Discussant	2018 – 2020

College/School

College Advisory Council – Communication Arts and Sciences	Chair	2019 – 2021
Undergraduate Curriculum Committee – Communication Arts and Sciences	Member	2020 – 2021
Sustained Dialogue	Member	2019-2021
Musician Wellness Team – School of Music	Participant	2019 (Spring)
	Member	2017 - present

Department of Communicative Sciences and Disorders

Annual Performance Review Committee	Member	2020 - present
Undergraduate Program	Director	2018 - present

Ph.D. Curriculum Committee	Member	2018 - present
MA Curriculum Committee	Member	2017 - present
UG Curriculum Committee	Chair	2018 - present
Clinical Education Committee	Member	2017 - present
RPT Committee	Member	2017 - present
Graduate Admissions – MA Subcommittee	Member	2017 - present
Graduate Admissions – Ph.D. Subcommittee	Member	2017 - present
Bylaws, Mission and Strategic Plan Committee (ad hoc)	Chair	2018 - present
MSU National Student Speech, Language, Hearing Association	Faculty Advisor	2018 - present
ASHA Continuing Education	Administrator	2018 - present
Colloquium	Organizer	2017 - present

University of Kansas and University of Kansas Medical Center

University

Faculty Concerns Committee	Member	2015 - 2016
Faculty Assembly Steering Committee	Chair	2013 - 2014
Council of Faculty Senate Presidents – advisory to the Kansas Board of Regents	Representative for University of Kansas Medical Center	2013 - 2014
Faculty Appeals Committee – ad hoc #1	Chair	2014
Faculty Appeals Committee – ad hoc #2	Member	2014
Higher Learning Commission Reaccreditation – Mission Committee (ad hoc)	Member	2013
Executive Vice Chancellor Transition Team: Leadership & Faculty Development (ad hoc)	Member	2012
Faculty Assembly Steering Committee	Member	2011 - 2012

School of Health Professions & Others – University of Kansas Medical Center

APT Committee – Dept. of Dietetics & Nutrition (ad hoc)	Member	2014 - 2015
APT Committee	Chair	2011 - 2012
APT Committee	Member	2009 - 2010
Steering Committee	Member	2011 - 2012
Research Committee	Member	2005 - 2007

APT Special Case Review Committee (ad hoc) – School of Medicine	Member	2007
